

2017 4th International Conference on Mechanical, Materials and Manufacturing

Committees

Advisory Chair

Prof. Brian Vlcek, Georgia Southern University, USA

Conference Chair

Assoc. Prof. Guanghsu Chang, Georgia Southern University, USA

Conference Program Chairs

Prof. Sergei Alexandrov, Institute for Problems in Mechanics, Russian Federation

Prof. Young Moon, Syracuse University, United States

Prof. Edward Gobina, Robert Gordon University, United Kingdom

Prof. Qing-Zhi Zhai, China Agricultural University, China

Important Dates

Submission Deadline: Before June 15, 2017

Notification Date for Abstract: 10 working days

Notification Date for Full Paper: July 5, 2017

Registration Deadline: July 20, 2017

Conference Date: October 25-26, 2017

Tour / Academic Visiting: October 27, 2017

Call for Paper

Topics include but are not limited to:

Material Science and Engineering

Mechanical and Manufacturing Engineering

More topics can be found: [Click](#)

Publication

All accepted papers of ICMMM 2017 will be published in the proceedings, which will be indexed by [Ei Compendex](#), Inspec, DOAJ, CPCI (Web of Science) and [Scopus](#).

Submission

Send your full paper or abstract to [EasyChair Submission System](#) (.pdf) or icmmm@zhconf.ac.cn.

Contact us

Feel free to contact us if you have any questions about the conference.

Conference Secretary :Ms. Nancy. H. Y. Huang

Email:icmmm@zhconf.ac.cn

Tel: +86-28-86256789

Why attend ICMMM 2017?

Learn about products, implementation strategies, industry trends

Build relationships with colleagues that are specialists in all aspects of Mechanical, Materials and Manufacturing

Share your experiences and lessons learned with other scholars and enthusiasts

Discover innovative solutions to enhance the performance

Learn how to maximize returns on investment for system upgrades, operations, and maintenance
