Supporter

## 2026 13th International Conference on Mechanics, Materials and Manufacturing

ICMMM aims to provide a platform for scholars, engineers, and scientists to present robust research demonstrating the expanding frontiers in the fields of Mechanics, Materials and Manufacturing. The past seven events were held in Chengdu (China, 2014), Paris (France, 2015), Savannah (USA, 2016), Atlanta (USA, 2017), Orlando (USA, 2018), Boston (USA, 2019), Virtual Conference (2020, 2021, 2022), Washington, D. C.(USA, 2023), Warsaw (Poland, 2024), Bangkok (Thailand, 2025) successively. Special gratitude would be extended to all keynotes speakers and TPC members for their technical advices, and to all the scholars and experts in this field for eager supports. For the 13th conference in Melbourne, the Organizing Committees expects and firmly believes that attendees from all over the world would be harvested academically and enjoy local customs and practices.

### Key Dates

Submission Deadline:	March 25, 2026
Author Notification:	April 25, 2026
Registration Deadline:	May 10, 2026
Camera-Ready Paper Due:	<b>May 10, 2026</b>

### Topics of Interest for Submission

#### Topic 1: Materials Science and Engineering:

Functional Materials and Devices  
Building Materials  
Environmental engineering materials  
Materials Genome Engineering

#### Topic 2: Mechanical Engineering:

Mechanical Dynamics and Its Applications  
Power and Fluid Machinery  
Power and Mechanical Engineering  
Mechatronics Sensing and Control

#### Topic 3: Manufacturing Engineering:

Green Manufacturing  
Concurrent Engineering  
Industrial Engineering  
Optimization of Systems

### Submission Methods

1. Electronic Submission System (.pdf)

<https://www.zmeeting.org/submission/icmmm2026>

2. [icmmm@zhconf.ac.cn](mailto:icmmm@zhconf.ac.cn)

Each submission should be at least 5 pages in total including bibliography and well-marked appendices and must follow the publication format. Extra page fee will be charged after 10 pages.

### Publication

Submitted papers will be peer reviewed by at least two international reviewers. Accepted and presented papers from ICMMM 2026 will be published into one of the journals below based on their topics and relevance to each journal.

#### Defect and Diffusion Forum

ISSN Web: 1662-9507

Indexed by EI, Scopus, Inspec, Google Scholar, etc.

#### Advances in Science and Technology

ISSN Web: 1662-0356

Indexed by Scopus, ProQuest, Google Scholar, etc.

#### Key Engineering Materials

ISSN Web: 1662-9795

Indexed by Scopus, Inspec, CAS, Google Scholar, etc.

#### Applied Mechanics and Materials

ISSN Web: 1662-0356

Indexed by Scopus, ProQuest, Google Scholar, etc.

ICMMM 2024 accepted papers have been published online in [Volume 1007 of Key Engineering Materials](#), indexed by Scopus.

ICMMM 2023 accepted papers have been published online in [Volume 149 of Advances in Science and Technology](#), indexed by Scopus.

ICMMM 2022 accepted papers have been published online in [Volume 1085 of Materials Science Forum](#), indexed by Scopus.

### Agenda Overview

June 7, 2026:

Participants Onsite Registration & Conference Materials Collection

June 8, 2026:

Keynote Speeches, Invited Speeches, Onsite sessions

June 9, 2026:

Academic Visiting/One day tour

### Contacts
